**3 Minutes of meeting held 2<sup>nd</sup> September 2021** - not yet completed, to be circulated for meeting on 27<sup>th</sup> September 2021.

**4 Matters arising** - HW confirmed that there would be no address by the police or PCSO for the monitoring / exceeding of lorry weights if there were no prohibitive road signs in place. Suggestion was made that "timed" photo evidence might be applicable.

MD suggested that given the length of the document to be considered that a limit of two hours be spent by members at this particular meeting: all were in agreement.

**5 To consider the PID grid as assembled by MD (Pages 1-78 for address. (P79-88 previously covered in meeting dated 2<sup>nd</sup> September))** -

**7 Any Other Business** - For information, MD confirmed that following the third meeting (above) which would see the conclusion of the SG's consideration of the PID Grid he would make final adjustments which would then effectively underwrite the document.
